NAVSUBSCOL INSTRUCTION 5350.3

Subj: NAVY ALCOHOL AND DRUG ABUSE ADVISORY COUNCIL (NDAAC)

Ref: (a) OPNAVINST 5350.4B

1. Purpose. To establish responsibility and provide information and guidance on the Navy Drug and Alcohol Advisory Council at Naval Submarine School per reference (a).

2. Policy. All available assets at NAVSUBSCOL must be used to combat drug and alcohol abuse through education and training, deterrence and detection, enforcement and discipline, and treatment and rehabilitation. While an effective Drug and Alcohol Abuse Control Program remains the responsibility of the command, coordinated action to identify problem areas within each individual code will enhance the Command's Control Program.

3. Discussion

a. A Navy Drug and Alcohol Advisory Council (NDAAC) is the means of coordinating this required action. The council will meet at least quarterly and more often as may be directed, normally one week prior to the area NDAAC meeting.

b. The NDAAC will consist of the following representatives:

(1) DAPA (Chairperson)

(2) Aftercare Coordinator

(3) One member from each code (preferably E-6 or below) who routinely deals with students and staff.

(4) Urinalysis Coordinator

(5) Legal Representative

(6) Command Master Chief

c. The NDAAC will monitor and address the following areas:

(1) Current problems, i.e.; new drugs in the area; increased use of certain drugs; specific dangers; problems or complaints with local bars and clubs.

NAVSUBSCOLINST 5350.3
