Subj: TYPE ACCREDITATION OF THE CORPORATE ENTERPRISE TRAINING
ACTIVITY RESOURCE SYSTEM (CETARS)

Ref: (a) DOD Instruction 5200.40 - DOD Information Technology
Security Certification and Accreditation Process (DITSCAP)
(b) System Security Authorization Agreement (SSAA) for CETARS
of March 2002

1. In accordance with reference (a), CETARS is hereby approved to operate in the System High Mode of Operation using the security requirements identified in reference (b). This accreditation is valid for any CETARS system that is implemented in the approved configuration and operating environment (reference (a) germane) for 3 years or until approved changes to reference (b) are verified. Any deviation from reference (b) must be approved by the NETC, N6, Chief Information Officer.

2. To request a copy of reference (b), please contact the CETARS Program Manager, Dave Peper at 840-452-9243, DSN 922-9243.

A handwritten signature in black ink, appearing to read "L. C. Jones".
