

## Naval Acquisition Intern Program Geographic Preference Statement

This preference statement is your opportunity to identify those locations for which you wish to be considered for the Naval Acquisition Intern Program (NAIP). Your name will be available for referral only for those locations you select below. You may select as many locations as you wish, but you are requested to select only those locations at which you would seriously consider an employment opportunity in the NAIP. You may also select "All Locations", but again you are requested to do so only if you are willing to accept employment opportunities in the NAIP for all the locations listed below. It is important to also understand that if you are selected and you decline an offer of employment in a selected location, you will be removed from further consideration in the NAIP within the current recruiting cycle for all locations in the NAIP. Also, if you are selected and accept an employment opportunity in the NAIP, the NAIP Mobility Agreement will apply.

- |                          |                             |                          |                                     |
|--------------------------|-----------------------------|--------------------------|-------------------------------------|
| <input type="checkbox"/> | Alameda, California         | <input type="checkbox"/> | Bethesda, Maryland                  |
